## INDEX OF CLAIMS

[illegible]

The image displays a document page with a prominent grid pattern, characteristic of a ledger or a form. The grid consists of numerous small squares or cells, arranged in rows and columns. The page is heavily degraded with noise and artifacts, making the content illegible. The grid structure is visible across the entire page, suggesting a tabular layout. The page is divided into three main vertical sections by two vertical lines. The leftmost section contains a header row with the text "DATE" and "DESCRIPTION". The middle section contains a header row with the text "AMOUNT" and "CURRENCY". The rightmost section contains a header row with the text "TOTAL". The grid cells are filled with various symbols, including numbers, letters, and special characters, which are difficult to read due to the high contrast and noise. The overall appearance is that of a heavily processed or scanned document.
